Registered for Continuing Professional Development with the Royal College of Psychiatrists since August 1995, subject to peer review and currently in good standing.
I am a member of an active medico-legal peer group for scrutiny of reports and practice.

Current Clinical Experience:

After 14 years as a Consultant Psychiatrist in General Adult Mental Health, I left full-time NHS work in 2009 to work as an independent psychiatrist. Recent and currently active projects include;

- Approved Clinician for Pennine Care, covering both a low-secure rehabilitation unit and a locked psychiatric intensive care unit
- Consultant Psychiatrist with Pennine Care Substance Misuse Services
- Consultant Psychiatrist Manchester Assertive Outreach Team
- Approved Clinician for Care UK, covering a 28-bedded transitional unit for patients previously requiring secure psychiatric care
- Consultant psychiatrist at Christie Hospital, Manchester, providing psychiatric support to cancer patients.
- Fee-paid Medical Member, Mental Health Tribunal Service

Medico-legal experience:

As an expert in general adult psychiatry, I have produced in excess of 400 reports, including;

- Causation, condition & prognosis reports in personal injury and clinical negligence: approximately 90:10 for claimant and defendant
- Breach of Duty reports for clinical negligence: approximately 50:50 for claimant and defendant
- Single Joint Expert in family and civil cases
- Independent reports for detained patients for First-tier Tribunals (Mental Health)

I have given oral evidence in Crown Court, Coroner's Court and Mental Health Tribunals, and have experience of cross-examination

Board and Committee Experience:

- Trustee of Stoke-on-Trent Citizens Advice Bureaux since 2006: Chair 2010-2015
